30 Wood Scraps	_____	_____	_____
TOTAL	_____	_____	_____

* This material must be recycled at a registered or an exempted recycling facility. See Section 5 of this form.

5. DISPOSITION OF REGULATED MATERIALS: Leaves and non-traditional recyclable materials (such as Concrete/Asphalt, Wood Scraps, Stumps and Tires) must be recycled in accordance with regulations (N.J.A.C. 7:26-2.13(e) and N.J.A.C. 7.26a-1.1 et seq., respectively). Answer the following questions concerning leaves or any non-traditional recyclable material.

A. Leaves: _____ Composted _____ Mulched

If composted, indicate the NJDEP Compost Facility Permit Registration Number: _____

B. Non-traditional Recyclable Materials:

Was the material recycled at an acceptable (registered, exempted or pending) "Class B" recycling facility? ____ Yes ____ No

If the facility is registered or pending, indicate the NJDEP "Class B" permit number: _____

If the facility is exempted, specify the exemption: _____

6. SPONSOR/GENERATING AGENCY CERTIFICATION:
The tonnage claimed above must be post consumer materials generated within the county/municipality submitting this form, and recycled such that they are not used for energy recovery unless specifically allowed by the Department of Environmental Protection. I, the undersigned, hereby certify, that to the best of my knowledge, is accurate and in compliance with N.J.S.A. 13:1E-99.11 et seq. I further agree to grant the State of New Jersey access to those records needed to verify the information provided in connection with the application procedure.

Type or print Name of Sponsor/ Generating Agency

Representative or Recycling Coordinator

Signature of Sponsor/Generating Agency Representative

or Recycling Coordinator
